

## A community where we are family and we share our many gifts generously

Dear Parish Family,

I am pleased to inform you that you are now able to share your financial gifts to support our parish... ONLINE. We have been working very hard behind the scenes as a parish staff to bring this exciting new program to our parish. Being able to give online makes donating simple and easy, while at the same time keeping the process safe and secure. We believe that by offering online giving, we will be able to engage more of our parish families to join us in supporting the important work we have been called to do together.

It's very simple to set up a one-time or recurring donation, and allocate the amounts of your choice to any of our different collections. Once you start to use it, you will be able to view your complete, accurate financial records at any time during the year. Those of you who wish to continue using traditional methods of offering may do so, however, I am personally asking that you prayerfully consider switching to giving your gifts online. Your choice to give online will help our parish to be better stewards of our Time, Treasure and Talent.

Take the time to read through the next few pages to learn about the benefits of online giving for both you and our parish. If you have any questions about the program or need help setting up your account, please don't hesitate to call the Parish Office. Please prayerfully consider giving to our parish community online as it does benefit our parish in many important ways. I am looking forward to growing our parish community together.

Let's begin this journey of faith together, responding enthusiastically as a parish family.
